

Remarks

Interview Summary

Examiner Hibbert telephoned to indicate that this application was in condition for allowance. The undersigned noticed upon review thereafter that two claims had been mistakenly amended to be identical. This amendment merely distinguishes these two claims from each other as they previously were prior to the last amendment. It is respectfully submitted that no new matter is added.

Conclusion

Applicants request that the next communication from the Patent Office be a Notice of Allowance.

Respectfully submitted,

Dated: December 23, 2009
